

Cut along dotted line

East-West Tie Transmission Project Construction Safety and Key Contacts

For your safety and that of workers, please...

Respect all speed and direction signs
in construction zones

Obey signs and instructions
provided by flag people

Watch out for increased construction vehicle
activity on local roads and highways

Obey signs at construction sites, including
“no trespassing” signs on the rights of way
and at laydown yards

Respect temporary road and trail closures

If you have questions or witness unsafe working
conditions or activities, please contact us.
